T	in any engineer's report and capable of winning a prize or commended rosette in a national concours d'elegance or MGOC Condition Award. Basically as new or better than when new. No faults, either properly restored or mainly original with any repairs completed to a high standard with photographic or documented evidence. Perhaps not good enough to win a respected show award but not far off. Condition 3 Everything in good working order with minor blemishes but no unsightly areas or mechanical problems. Likely to pass an MOT in 12 months' time. Condition 4 Some rust damage evident and mechanics, body and trim in fair condition for their age. Possibly some minor work needed to pass an MOT now.
